

VIDA DEL MAR

COVID CONDITION CODE GREEN

(This interim notice is effective November 12, 2021)

There is no general restriction on owners, guests, renters, or employees during the green condition code. As Vida has with all other condition code(s) we will follow the guidelines published by the State of Colima.

The State of Colima condition code green allows “Resuming normal activities but use caution.”

Normal Operations and activities are resumed at Vida.

No vaccination card or covid testing verifications will be conducted, and test results are not required for any person to enter Vida.

It is requested as a courtesy to all persons residing or visiting Vida that masks be worn by all persons in building stairways and the office. (Masks are not required at the swimming pool public areas on walking paths.)

There is no restriction on the number of guests for a gathering, there is an occupancy restriction at Vida for the number of persons residing in a unit. Compliance with the Vida rule of five person maximum for a one-bedroom unit and eight persons for a two-bedroom unit is still in place.

It is requested that if any person in a unit that becomes ill with covid type symptoms or is confirmed positive by a test that the office be contacted immediately so surrounding occupied units may be made aware of the situation so increased awareness and personal protection considerations may be made.

In the event of a covid illness or a positive test even with little or no symptoms we request a self-quarantine by that party be initiated as well as the immediate family or guests residing in same unit.

This notice is effective immediately and shall stay in effect until revised by Vida management or if there is a change in the condition code or elimination of the code system by the State of Colima.
